the second stage of catarrh, which is many times more miserable. If Peruna was taken every time one has a cold or cough, chronic catarrh would be practically an unknown disease.

Miss Elizabeth Eber, No. 41 Banquet street, Albany, N. Y., writes:

"I have always dreaded untimely weather because of my catarrh. I used to catch cold, when a catarrhal trouble could quickly develop into pneumonia, system, which it would take weeks to drive away. I am thankful to say, however, I have taken Peruna for years, and it has kept me in perfect health."

THE REASON why Western Canada is at first a bare prairie, and then a rich and fertile land, is the fact that it is the only place in the world where the soil is so rich and fertile. The reason is that the soil is so rich and fertile that it can grow any kind of crop that you want to grow. Menard cured

to help her. After doctor after doctor, I tried E. Pinkham's Vegetable Compound and I was cured. I want to let you know about it. During my menstruation I suffered most terribly from the low in the abdomen and the limbermen. At other times I was so heavy, depressed feeling and my bowels seem tight and I grew pale and thin. The doctor said I was anemic.
